

WIDENING THE "WAR AGAINST TERROR"

The Bush Administration's ATTACK on CUBA

NYC COMMITTEE TO FREE THE FIVE CUBAN HEROES
Forum on Cuba

**Thurs.
SEPT. 12
6:30pm**

The Bush administration is stepping up its attack on Cuba—pledging to tighten the US blockade, crack down on US travelers to Cuba, and expanding the "axis of evil" to include Cuba.

This forum will address how Cuba is countering these attacks and why defending Cuba is so critical—now more than ever. The case of the Five Cuban heroes who are unjustly serving time in U.S. prisons will be highlighted.

Please join the NYC Committee to Free the Five Cuban Heroes on Sept. 12 to learn how you can get involved in the campaign to free Antonio, Gerardo, Fernando, Ramon and Rene.
