Dear Sir,

This is to acknowledge receipt of your further submission dated 15 June 2021 concerning complaint No. 3953/2021, which was submitted to the Human Rights Committee, for consideration under the Optional Protocol to the International Covenant on Civil and Political Rights, on behalf of Alex Nain Saab Moran.

In the light of the information before it concerning the alleged deterioration of the author's health, the Committee has reminded the State party of its request for interim measures of 8 June 2021, in particular whereby the State party has been asked to take all necessary measures to ensure access to appropriate health care for the author, preferably by independent and specialized physicians of his choice.

Yours sincerely
